

Project Type	Project Name	Project Description	Funding Source
Water main	South Morley McKinsey - Terrill Rd	Replace 12" water main	SRF
Water main	Garfield/Harrison, McKinsey to Carpenter	Replace 6" with 8"	Reserves
Water main	Garfield/Harrison, Carpenter to Logan	Replace 6" with 8"	Reserves
Water main	Sturgeon, Rollins - McKinsey	Replace 14" with 16"	SRF
Water main	Logan St to McKinsey, Promenade to Monroe, Woodland and Burkhart	Replace 6" and 8"	SRF
Water main	Water valve replacement program	Replace 12" water main	O & M
Water main	in-house water main replacement, looping	Replace 6" with 8"	O & M
Water main	N Morley 2" water main replacement	Replace 12" water main	Reserves
Sewer	NW Lift Station (Regional)	New regional lift station to replace 3 existing stations and	SRF
Sewer	7 Bridges Lagoon	Clean out lagoon, convert to dry	SRF
Sewer	Rollins St Lagoon	Clean out lagoon, convert to dry	SRF
Sewer	Sparks Ave Lift Station	New lift station for unsewered area (LS only)	SRF
Sewer	Sparks Ave Gravity Sewers	New gravity sewers to serve unsewered areas (Sparks Ave RR tracks to Robertson Rd	SRF
Sewer	Rollins St Lift Station	Replace existing Smith & Loveless can-type station	SRF
Sewer	Morley St LS upgrade	Change to submersible station, extend force main	SRF

Sewer	Sewer relining projects	I & I reduction, renewed structural integrity	SRF
Sewer	Manhole replacements	I & I reduction, renewed structural integrity	SRF
Sewer	Backwater valve program	reduce basement backups	O & M
Sewer	Taylor St CSO basin cleaned, pumps retrofitted	remove solids from basin	O & M
Water Plant	Grout & spillway repair, Sugar Creek Lake		Reserves
Water Plant	Solids Contact Units	Rebuild mechanical and recoat su	SRF
Water Plant	Waterproof SCL pump house		SRF
Waste Water Treatment	Clean out Sludge Holding	drain, remove solids, check structures	O & M
Waste Water Treatment	Upgrade farm operation for biosolids	remove trees,install drain tile, grade slopes	SRF
Waste Water Treatment	Replace sludge reel	used to apply biosolids	O & M
Waste Water Treatment	Replace 4" trailer mounted pump	used to dewater basins and emergency operations at lift stations	O & M
Storm Water	Leah Lane		
Storm Water	Cedar Ridge		
Storm Water	Urbandale		
Storm Water	Bond Channel (Winding Way)		
Storm Water	Quail Haven
